8.—(1) The first Monday in March commencing at 10 a.m. each year is fixed as the day and time for a meeting of producers for the nomination and election in each county of the members of The District Hog Producers' Committee.

(2) Subject to subsection 3, the local board shall arrange accommodation for each meeting mentioned in subsection 1 and shall notify, not later than the 15th day of January, The Farm Products Marketing Board of particulars of the accommodation.

(3) Where the local board fails to notify The Farm Products Marketing Board in accordance with subsection 2, The Farm Products Marketing Board shall arrange the accommodation at the expense of the local board and shall notify the local board.

(4) The local board shall give to producers in each county at least ten days before the meeting, notice of the day, time and place of the meeting,

(a) in writing; or

(b) by publication in one or more newspapers or periodicals having a general circulation among or distribution to producers,

but where the local board fails to give the notice to producers in any county, The Farm Products Marketing Board may arrange for such publication or posting of notices as it deems necessary or advisable at the expense of the local board.

(5) If for any reason the nomination and election of members to The District Hog Producers' Committee is not held on the day mentioned in subsection 1, The Farm Products Marketing Board shall fix a day as soon as practicable for that purpose.

(6) The Farm Products Marketing Board shall appoint a chairman for each county meeting who shall be the returning officer for the election, if any, of the members to The District Hog Producers' Committee for that county.

(7) The meeting shall be called to order by the chairman.

(8) If objection is made at the meeting that any person nominated or present and taking part in the nominations or elections is not a producer in the county, the chairman may accept a majority decision of persons present at the meeting in respect of the objection and such decision on acceptance by the chairman shall be final.

(9) Every nomination shall be in writing and state the name and address of the nominee and shall be signed by the proposer and seconder, both of whom shall be producers in the county, and filed with the chairman within one hour from the opening of the meeting.

(10) Failure to comply with subsection 8 or 9 shall not invalidate any nomination if it is received and acted upon by the chairman.

(11) When a proposed nominee is not present, his nomination paper shall not be valid unless the proposer and seconder vouch that the nominee consents to be so nominated.

(12) When the time for nominations at a meeting expires, the chairman may require assurances from the nominees of willingness to stand for election to The District Hog Producers' Committee from the county.

(13) Where the number of persons nominated and willing to stand for election is the number of persons mentioned for the county in section 7, the chairman shall declare those persons elected to The District Hog Producers' Committee.

(14) Where the number of persons nominated and willing to stand for election to The District Hog Producers' Committee from the county is fewer than the number of members mentioned for the county in section 7, the chairman may extend the time for nominations for not more than one-half hour and if at the end of such extended time the number of persons nominated and willing to stand for election is fewer than, or is the number of persons mentioned for the county in section 7, he shall then declare those persons to be The District Hog Producers' Committee for the county.

(15) In any case where the number of persons nominated and willing to stand for election is more than the number of persons mentioned for the county in section 7, the chairman shall prepare and post up at the meeting a list of the names of the persons nominated at the meeting.

he produces hogs and upon handing the signed paper to the deputy returning officer or the chairman, he shall then be handed a ballot paper.

(24) Upon receiving the ballot paper the person receiving it shall,

- (a) forthwith proceed into the compartment provided for the purpose and shall then and there mark his ballot paper by placing a cross, thus X, opposite the name of each nominee for whom he desires to vote but he shall not mark his ballot for more nominees than the number of members mentioned for the county in section 7;
- (b) then fold the ballot paper so as to conceal the marks he has placed upon the face of the ballot paper;
- (c) then leave the compartment without delay and without showing the face of the ballot paper to anyone, or so displaying it as to make known how he has marked it; and
- (d) then deliver the ballot paper so folded to the deputy returning officer or the chairman, as the case may be.

(25) The deputy returning officer or the chairman, as the case may be, without unfolding the ballot paper, or in any way disclosing the marks made by the voter, shall at once deposit the ballot paper in the ballot box in the presence of the voter.

(26) If the voting is not completed by 5 p.m., the chairman may with the consent of the meeting adjourn the voting to the evening or to the next day at 10 a.m.

(27) The chairman may adjourn the meeting for refreshments or other purpose and in any case of adjournment if voting has started the ballot boxes shall be sealed and shall be kept in the custody of the chairman and the sealing shall not be removed from the ballot boxes until the time for voting resumes.

(28) Where the chairman is of the opinion that every person present at the meeting and entitled to vote has been given an opportunity to cast his ballot the chairman may close the poll and proceed with the counting of the ballots.

(29) The chairman shall count all the ballot papers in the presence of at least two producers known to him but shall reject all ballot papers,

- (a) that have not been supplied by him;
- (b) by which votes have been given for more nominees than are to be elected; or
- (c) upon which there is any writing or mark by which the voter can be identified, or which has been so torn, defaced or otherwise dealt with by the voter that he can thereby be identified,

and shall make a record of the number of votes given and allowed for each nominee and shall forthwith forward a copy of the record to The Farm Products Marketing Board and shall declare elected those nom-

inees who obtained the largest number of votes up to the number of persons to be elected for the county and shall notify elected nominees of their election.

(30) Where by reason of a tie vote or other cause, the election of all members to a District Hog Producers' Committee from a county is not complete upon the counting of the ballots, The Farm Products Marketing Board may, by mail, submit to all producers who voted in the county a ballot to complete the election.

(31) The chairman shall retain the ballots and such other records as were furnished during the voting for such period of time as The Farm Products Marketing Board determines and shall forward to The Farm Products Marketing Board and to the local board the names of the members elected to The District Hog Producers' Committee for the county.

if it appears that the election was conducted in accordance with the principles laid down in sections 8 and 9, and it does not appear that such non-compliance, mistake or irregularity affected the result of the election of the member to the local board.

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted to two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In the case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Corporations Act, 1953, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures, the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms the object for which the new issue of debentures is required.

67.
